

ANGEL *Wing* CAMPAIGN 2015

Care²

Sponsor a square foot for the new
Angel Wing and multiply the ways
we care for all animals in the future.

Care²

Angels has a vision to help animals and our community like never before. We are going to build a new wing that will be a model for animal welfare in the state of Ohio. The Angel Wing will offer affordable emergency care as well as regular vet care around the clock. It will help area rescues reduce their medical care costs. It will be a shelter for abandoned animals. It will help humane agencies and police with abused animals. And it will be a place that will allow us to dramatically increase the number of spay/neuter surgeries we perform, helping control animal overpopulation.

Sponsor a square foot or more for the Angel Wing and see just how much care can multiply.

Despite fixing over 50,000 cats since 2006, over 50 cats per week are still abandoned at Angels. This is why we need Angel Wing before we become impossibly overcrowded.

STAFF

Angels was responsible for the mandatory spay/neuter policy for dogs at the Mahoning and Coumbiana dog pounds and now offers them the service at a low cost. Angel Wing would enable us to do the same for other pounds, shelters and rescues here and in the surrounding areas.
